

Papa Gino's Gets Mixed Reaction

[continued from page 1]

service in the dining area which will seat 105 people. There will also be a take-out area, he said.

A proponent for Cushing Plaza, Craig Swain of Crown Investments, supported the granting of the wine and malt license. There was opposition of residents who lived in surrounding areas, particularly areas of Beechwood who felt that the availability of alcoholic beverages would increase problems with young people in the area.

Osborn Ingram of Beechwood St. said, "We have been troubled by people coming up the dead-end and gathering in droves drinking there." He feared the wine and malt license if granted would exacerbate the situation and suggested that Papa Gino's open without the license on a trial basis.

Another resident in opposition felt that Route 3A was already a trouble spot for accidents especially involving groups of youths that congregate in the area.

Malcolm Stevens questioned why the Marshfield Plaza Papa Gino's hadn't been granted a beer and malt license. Wayne explained that the application had been denied for reasons apart from problems with youths.

"We don't add to it," Wayne said of the problems residents have been having with youths loitering. "Better lighting there should detract from it," he said.

Selectman Henry Ainslie said that it would be difficult for the board to change their decision if the license was issued. "We would have to find you in violation of the liquor laws within the restaurant, not because of gangs congregating outside."

Selectman Arthur Clark said that the matter would be taken under advisement and checked with the Police Department for their opinion. Selectman Rocco Laugelle suggested a further dye test for the sewerage system there, to see if the system could take the additional burden of alcoholic beverage consumption.

Annual June Bloodmobile

The regular annual June Community Bloodmobile conducted by the Cohasset Chapter, American Red Cross, will be Monday from 1:30 to 7:15 p.m. at the Unitarian Parish House, 23 North Main Street.

This bloodmobile is being directed by Chapter Blood Co-Chairmen Jill O'Donnell (383-0299) and Roella Hobbs (383-1723).

Library's Recent Acquisitions

Among recent acquisitions at the Paul Pratt Memorial Library are:
